"Richard III." Shakespeare's sublime tragedy, at the Theatreum to-day and to-morrow. The pictures of this great work are perfect, and lovers of dramatic art will be given a rare treat. Two other good pictures, Mr. Geo. Harrington's "Tudor" make up a good program.

It is estimated that the anthracite coal tonnage of the various companies this year as compared with last year to the end of September shows a shortage of 3,600,000 tons. This means without doubt there will be a serious shortage of domestic coal the coming winter months. Better anticipate your wants and send your orders to Calder &amp; Richardson, Depot square. They are handling the best grades of coal at the right prices. Also nice dry wood.

There were two cases of intoxication in the city court this morning. Julius Prick, arrested last evening by Officer Carle, pleaded guilty to a first offense and paid a fine of \$5, with costs of \$5.90.

Martin Carroll Norton, alias Martin Carroll, arrested last evening by Officer Hamel, pleaded guilty to a subsequent offense and was sentenced to the county jail for 30 days and to pay costs of \$6.05. This was Norton's fourth offense in this court; before he had given the court the name of Martin Carroll. When he gave the name this morning of Martin Carroll Norton, Judge Scott asked him if he had not given the name of Carroll before and he said he had, but that was only his middle name.

The grand, sublime "Passion Play" is at the Bijou to-day and to-morrow. It had an unprecedented run of four days in Montpelier at the Savoy theatre and was witnessed by hundreds of people. Some even came two nights to see the picture, so great was their interest in it. It is said to be the most complete reproduction ever given here, one that will keep the audience intensely interested so that they may easily imagine that they are witnessing the original Passion Play at Oberammergau, Bavaria. There is over two miles of film and they will be manipulated by Mr. C. E. Schneider, reputed to be the best operator in the business today. Special organ music will be used to harmonize with the picture. Three beautiful songs, "The Palms," "Face to Face," and "The Holy City," will be sung by these two delightful singers, Mr. Hayward and Miss Richardson.

Mr. Masuccio, proprietor of the Bijou, declares this to be the best picture he has ever produced. The price of admission for these two days is ten cents for adults and five cents for children, and the "critic" believes the show is worth every penny of it.

See display in our window. Be sure to take some home to-day or Saturday. Very nice for children's lunch baskets and any place where a light lunch is served.
